

Field Visit for Exurban ASCC workshop, Oct. 19, 2020

For the field visit, we will meet here on Devotion Road in Scotland, CT. There is no formal parking area, but there will be space on the shoulders and some vehicles will be able to pull into the forest. The informal trail begins at a gate here.

While we visit the site, please wear a face covering and do your best to maintain a distance of six feet between persons.

Can't join us in the woods? We will bring our conversation to the Zoom room at about 2pm. Join us there!
